

# KCM NEWSLETTER

FALMOUTH PARISH CHURCH OF KING CHARLES THE MARTYR

FEBRUARY 2020

This is my first attempt at compiling a newsletter so please excuse me if I have missed anything or it is not as informative as you would wish.

We are now into a new decade and also for KCM, a transition period. Hugo and I have formed a transition/interregnum committee, this helps us enormously as neither of us have dealt with a transition before. Richard Rogers, Christine Davies, Robert Martin and Richard Bailey have the expertise to help us through this period of change. Please bear with us whilst we endeavour to get things “up and running”. We welcome any ideas or feedback that you may have.

Hugo and I are in the process of, for want of a better expression, booking clergy for our services, this is not easy! We are in competition with other churches who are in the same position as us. Clergy have been booked for the rest of January and all of February and March. Please see the February calendar on the back of the newsletter for clergy details:-  
**Please note these bookings could be subject to change**

I feel it important that we remember that we are part of a diocese and part of Churches Together, we are not alone in our transition, we are united with other churches.

If anyone would like to form a social committee please do, I am sure that you will receive lots of support from all at KCM.

We are selling the back three pews by the north entrance side aisle, please contact Pip Horton or Robert Martin if you are interested. This space will be used for welcoming and our souvenir sales.

We are desperately looking for volunteers to keep our church and kitchen clean, this is usually done on a Saturday morning, please see Hugo for more information.

We are also looking for a Spring/Summer group to spruce up the courtyard, weed the back steps and path area around the rear of the church. Fish and chips at Harbour Lights after, date to be confirmed.

It would be great if everyone of us could donate a flower pot with spring/summer flowers, what a difference it would make to the look to our courtyard, lots of colour, geraniums, begonias etc bring such a lot of colour and not a lot needed care wise.

Please check your weekly pew slip for service dates and other events.
